ARYA WASKAR

7038191318 | aryawaskar1@gmail.com | github.com/Arya0512 | linkedin.com/in/arya-waskar/

MERN Stack developer with strong full-stack skills. Currently learning AI/ML and seeking an internship to apply my knowledge and grow through real industry experience.

SKILLS :

Frontend:HTML, CSS, JavaScript ,Bootstrap, Tailwind CSS, Material UI
Backend: Node.js, Express.js ,WebSocket (real-time communication)
Programming Languages:C++, Python, JavaScript
Database: MongoDB,SQL
Tools & Platforms :Github, Render,Vercel
Core Concepts:DSA in C++, REST APIs , Authentication & Authorization

PROJECTS:

AirNab – Room/Property Listing App (airnab-project.onrender.com/)
Created an Airbnb-style property listing app using HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB. Implemented authentication, property CRUD operations, image uploads, and dynamic pages.

Blog Platform (MERN Stack): (blog-platform-project-1.onrender.com/)
Developed a complete blog application with user login/signup, JWT authentication, blog creation, editing, and deletion. Integrated secure backend API with a clean React frontend and MongoDB database.

MoodBloom – Random Act of Kindness System (MERN Stack):
Built a full-stack kindness suggestion platform with user authentication, mood tracking, and CRUD operations for acts. Implemented protected routes, JWT auth, and a responsive UI using React, Node.js, Express.js, and MongoDB.

Movie Explorer App:(movie-explorer-app-git-main-arya-waskars-projects.vercel.app)
Developed a movie search and listing application using React and an external movie API. Added features like search, dynamic routing, movie details page, and responsive UI.

EDUCATION:

JSPM Narhe Technical Campus Pune| BE - Computer Engineering   CGPA-9.27 |(Aug 23 - July 27)

CERTIFICATION:

MERN Stack Certification – Apna College
GSSoS Contributor 2025:
Contributed to open-source projects and collaborated with global developers

ACHIEVEMENTS:

First-year topper with 9.84 CGPA
Solved 50+ DSA problems on LeetCode : (**leetcode.com/u/Arya_waskar/**)
GSSoS Contributor 2025
